LOCATION AND DESCRIPTION

Shipston Business Village is a recently developed complex within the Tilemans Lane Industrial Estate and is identified on the attached location plan.

This new industrial park is occupied by a range of businesses including Building & Plumbing Supplies who have constructed a new state of art builders merchants. A range of starter units have recently been constructed to a high quality on adjacent land.

The site offered is a regular shaped development site of 1.4 acres. Formerly farmland the site received planning consent for the construction of a warehouse and office facility totaling 25,200 sq.ft. on a gross internal basis. The site benefits from two access points and lends itself to a range of development designs subject to planning consent. Attached to these particulars is an image of the proposed building.

PLANNING

Planning consent was granted on the 14th May 2008 for the construction of the attached warehouse with ancillary offices and storage yard under application number 08/00398/full. The application expired three years after consent was granted but it is considered that the site is suitable for B1, B2 and B8 uses subject to a new application.
